Dear Parent/Guardian:

The St. Johns County School District (SJCS D) is required by the State of Florida Constitution to fully implement the Class Size Amendment (CSA). The CSA requires that core classes not exceed the following numbers of students in specific grade levels:

Pre-Kindergarten through Grade 3:	18 students
Grade 4 through Grade 8:	22 students
Grade 9 through Grade 12:	25 students

In order to comply with these class limits, the SJCS D must make some difficult choices. One of the unfortunate consequences of the CSA is the need to make student placement decisions and adjustments based on the number of students, rather than strictly on the needs of the students. We have also had to decrease the number of elective choices available to students in order to increase the required number of core classes.

Financial implications to the CSA include hiring personnel, adding relocatables or finding additional space within our current facilities, purchasing additional textbooks for teachers, etc. Our school district is using "co-teaching" as one method to meet the CSA. Adding a teacher to the classroom keeps the class from being split, which creates less disruption and more consistency for our students. It is, however, not a perfect solution, as the cost of the second teacher must be absorbed by the district.

The dynamic of a mobile and growing student population adds another layer of difficulty to student placement. As students enroll or withdraw in a school, the class size caps must be maintained. *Therefore, all families enrolling their children should be aware that classroom assignments may require a change in student placement to comply with the CSA.* Students will be placed in an available seat in their grade. Should shifts from one classroom to another be necessary, either a volunteer or a selected student will be moved.

Immediately following the tenth day of school (August 23rd), all classes will be balanced, which could include moving teachers, associate teachers and/or students. Additional balancing based on growth or student movement will continue until September 15th. We will make every attempt to minimize student movement, but we must be both fiscally responsible and CSA compliant. We have always held, and will continue to hold, the educational needs of all students as a high priority.

Thank you for your understanding with this challenging requirement. If you have any questions regarding this information, please do not hesitate to call your child's principal.

Sincerely,

Tim Forson
Superintendent of Schools

Release of Student Directory Information Options

In conjunction with Section 6, Paragraph 3: Educational Records – Directory information and School Board Rule 5.20, this section provides the parent or adult student opportunity to opt-out of the release of Student Directory information. Parents should check the box(es) below that apply to opt-out of the release of publication of Student Directory information:

- I request that Student Directory information not to be released to Armed Forces Military Recruiters or Military Schools.

Federal public law 107-110, Section 9528 or the ESEA, “No Child Left Behind Act”, requires school districts to release student names, addresses, and phone numbers to military recruiters upon request. The law also requires school districts to notify you of your right to Opt-Out from this by requesting that the district not release your information to military recruiters.

AND/OR

- I request that Student Directory information not be released to the school’s PTO like organization (if applicable). Many schools have a PTO support organization. PTO’s typically create and distribute a PTO directory that includes the student’s/parent’s name, address and phone number. Once released, this PTO directory is generally considered public.

OR

- I request that no Student Directory information, including photographs and video (as outlined in Section 6 of the Student Code of Conduct) be released. This option would prevent Student Directory information from being published (in yearbooks, school newspapers, school websites, etc.) or released to 3rd parties (i.e. PTO’s, Armed Forces, Military Recruiters, Military Schools, approved school ring or yearbook vendors, etc.) by schools or District departments except where required by law, and except for photographs or video taken or other Directory information presented at a public forum, public event, or open house.

If any parent/guardian or adult student exercises any opt-out option(s) above (by checking any box), this form must be signed by the parent or adult student and returned to the school.
