7 helpful hints about the FAFSA.

<https://blog.ed.gov/2018/09/7-things-you-need-2019-20-fafsa/>

The steps to complete the FAFSA are:

1. The student and the parent both set up individual FSA ID's
2. The student logs into the FAFSA using his/her FSA ID and completes a short section of information
3. The parent logs into FAFSA using their FSA ID and completes the rest of the financial related information. Some tax software will link and upload tax information directly into the FAFSA
4. Both the student and the parent must sign the final application with electronic signatures before submitting.
