Electronic Sign In System

- Starting Monday November 6th the Guidance Department will begin utilizing an electronic sign in system. This will allow us to track the number of students that are seen, the most frequent times of day that students request to be seen, the most common reason for student visits, etc. All students will be required to sign in to set up appointments to meet with their School Counselors. Students will need to have their student id/student number on hand in order to sign in.

Schedule Changes – Virtual or Traditional School Campus

- Schedule changes at the beginning of the year are governed by each school's drop/add policy. After 21 days, students who change their schedule will receive the Withdrew Passing (WP) or Withdrew Failing (WF) determined by their average in the course to that point. An example: A student with a 54% at the time of withdrawal, would receive a WF while a student with an 84% at the time of withdrawal would receive a WP.
- Withdrawing from an honors or AP course is also denoted with the WP or WF designation, but cannot be done until after the midpoint of the course.

Completion of Virtual School Courses for Semester 1:

- All virtual school courses must be completed by December 21, 2017 in order for the grades to be reflected on the first semester transcript. All virtual school courses completed after this date will not be reflected with the first semester grades.

College Checklist

- If you are thinking about going to college after high school, but aren't quite sure where to begin, we have a college checklist that will help you map out important steps to help you prepare.

Do you need help in your courses? Are you tired of the overpriced private tutors that charge \$50 an hour? Not only that, but they also probably haven't seen a high school curriculum in years. At Top Tier Learning we have a qualified team of students, including 2 National Merit Semifinalists. We are 100% student run and tutors have excelled in the classes they teach. If you don't want to dive headfirst into a lesson package, no worries! We also offer \$10 trial lessons. You decide where you meet and how often you want tutoring.

Media Center

Media Specialist: Carolyn Milian
Media Para: Lorna Patterson

The school year is in full swing and our Panthers are checking out books by the bunches! I have just ordered many NEW current, young adult novels (including many favorites like Stephen King) for our students to read-read-read!

The Florida Teen Reads are being checked out daily! Students who read these have an opportunity to earn some great prizes, including an all-expense paid lunch out to Olive Garden! For more information, please go on our Nease media center webpage and under “Quick Links” click on “Florida Teen Reads”.

We are so excited to announce a “Holiday Reading Bingo” challenge that we will be rolling out in the next week. Students will have an opportunity to earn more prizes for reading books of their choice between now and January 12th! More info will be coming soon, so keep checking the media center website!

Just a reminder to all students that if they need to come to the media center during lunch time any day of the week, they MUST come to the media center and get a “Media Center Lunch Pass” between 8 a.m. and 3rd period. There will be a limited number of passes, so it will be “first come, first serve”.

Please remember that after-school tutoring is available in the media center every Monday, Wednesday, and Thursday by our National Honor Society students. This is a FREE and valuable resource that is offered to all our students who need assistance in core academic subjects. No appointments or reservations are necessary. Just come straight to the media center after school and sign in with one of our NHS officers.

If you have any questions or concerns, please contact me at carolyn.milian@stjohns.k12.fl.us or call 547-8367. Have a great weekend and don't forget to READ-READ-READ!!

National Honor Society News

CONGRATULATIONS to our newest members who were recently inducted in October. We are now 256 members **STRONG!!** Our Nease National Honor Society is one of the largest in the county, and we are **PROUD** of it!

We have just kicked off our "Poinsettia Fundraiser" as we work to raise money for our club to pay for supplies, t-shirts for all our members, other activities, and raise money to award scholarships to 2 seniors at the end of the year. Poinsettias are \$15 for a 6.5 in. pot with 5-7 blooms and \$25 for 12 in. pot with 15-20 blooms. Please help our students as they work to raise funds for our club. In October, our National Honor Society students donated dozens of bags of candy and made **700** Halloween goodie bags to donate to the children of Southwoods Elementary School as many of those children are still displaced due to Hurricane Irma. Now, many of our members have grouped up into teams, and are planning and preparing to be "Secret Santas" to 9 families from Southwoods Elementary. Once again, these amazing young men and women are working together to change our world and making a positive impact in our community one day at a time!

Great Decisions, brought to us by World Affairs Council Jacksonville <http://www.worldaffairsCounciljax.org>, is a non-partisan high school enrichment program on foreign affairs that fosters critical-thinking, conversation and decision-making skills. College professors and high school teachers co-facilitate the monthly sessions at school, and encourage students to drive the conversation, ask questions and share opinions. Additionally, interactive program components off campus provide students the opportunity to apply their skills and knowledge in peer discussions. For content information see http://www.fpa.org/great_decisions

If interested, please join the Schoology group, "Great Decisions Nease" access code 5VTWW-9SNBQ. All events and opportunities will be announced through that Schoology group.

Please note that Great Decisions, The World Affairs Council of Jacksonville, and the Foreign Policy Association are not officially affiliated with Nease High School nor with the Saint Johns County School District. They offer these timely and relevant events to the community free of charge, and I believe they are valuable because they bear on the material taught in many of the courses here at Nease.
