The Varsity Volleyball team beat Middleburg last Thursday for the District Championship. The girls will play at Nease this Wednesday at 7pm in the first round of Regional play-offs. Congratulations ladies!

The Varsity Football team hosted a Victory Day event this past Friday for special needs students in elementary school. It was very heart-warming to watch our big football players interacting with these children. We are very proud of these young men and the character that was displayed.

At the game Friday night, we had Sparkler cheerleaders performing with the Nease cheerleaders. These special needs students have been practicing for this big night and it was fantastic to see their smiles on the field. A big round of applause to our cheerleaders for giving their time and attention to make these little girls feel so special! <http://us.vivavideo.tv/v/zX6llamn/1/>
