BACCALAUREATE TRANSFER PROGRAM PREREQUISITES24 CREDIT HOURS

Choose 24 credit hours of baccalaureate transfer program prerequisites from the courses marked with “◆” in the course description. Choose your transfer-specific courses carefully. Talk with your SJR State advisor about common prerequisites, and check the baccalaureate program website at the specific institution where you plan to transfer for additional important information about required prerequisite courses for your intended major.

It is important to understand the potential consequences, especially if receiving financial aid, for taking courses that are in addition to the 60 credit hours required for your AA degree.

FOREIGN LANGUAGE REQUIREMENT

The Foreign Language Competency requirement can be met by completion of 2 years of the same high school foreign language OR completion of 2 semesters of the same college level foreign language OR documented proficiency of a foreign language. If you did not complete 2 years of the same high school foreign language and do not have documented proficiency of a foreign language, you will need to complete 2 semesters of the same college level foreign language in order to graduate with your Associate in Arts degree. These foreign language credits will count towards your required general education elective credit hours and/or baccalaureate transfer program prerequisites credit hours. Please check with your Advisor if you are unsure whether you already meet this requirement.

CIVIC LITERACY REQUIREMENT

Students must earn credit in one of the following courses and pass a Civic Literacy exam as a graduation requirement for the AA degree beginning with the Fall 2021 semester. For those who did not complete this requirement in high school and need both the course and the test, SJR State recommends that you complete the test when you are enrolled in or have recently completed POS 1041 US Federal Government or AMH 2010 US History to 1877 or AMH 2020 United States History since 1877. Please check with your Advisor if you have any questions about this requirement.

HONORS PROGRAM

The Honors Program at St. Johns River State College offers outstanding and motivated students the opportunity to enhance their educational experiences. Students will encounter challenging courses outside the format and expectations of traditional classes. Honors courses offer a different approach to teaching and learning. Through special sections of selected general education courses, the program provides participants an intellectually stimulating academic experience, stressing the development of critical thinking skills, to help prepare students for advanced study in university coursework. The program also offers faculty the opportunity to develop new courses for honors students. For admission and program requirements, a list of honors courses, and an application, please visit the Honors Program web site at <http://www.sjrstate.edu/honors.html>
