

Summer reading (Rising Spanish 4 IB)

1. Please review all the vocabulary words in this Quizlet. All the words included on this Quizlet have been studied during the 2023-24 academic year. These are not new words. Please, do not be alarmed. Practice word recognition, as we will concentrate on spelling during the school year. Be prepared to take a multiple choice vocabulary formative assessment when you come back to school. Here it is the link: https://quizlet.com/_609agz
2. Read and answer the questions of the simulated reading. This assignment will be collected the first three days of school. (The assignment consists of all the answers to the multiple-choice questions plus a list of at least 10 new words that you have learned from each of the 3 readings, a total of 30 new vocabulary words). You will find this in your Spanish 3IB schoology page. If you can no longer access this page please reach out to Mrs. Kennedy for a copy of the readings.
3. Use Spanish over the summer as much as you can. Some ideas are:
 - ☐ Go to Spanish restaurants and order your food in Spanish
 - ☐ Change the language on your phone
 - ☐ Watch Spanish channels
 - ☐ Listen to Spanish music and memorize your favorite song
 - ☐ Watch movies with Spanish subtitles
 - ☐ Watch this video with recommendations on how to improve pronunciation. <https://www.youtube.com/watch?v=t19skFVg02k>
