

All Voluntary Public Service/Peer Counseling (On-Campus Internship) students must upload or turn in a completed supervisor evaluation form on the last TUESDAY of each month. This form should be completed by the student's supervising staff member, then given back to the intern to submit. From the last Tuesday of the month, students have until the following Monday at 4:00 pm to drop this form off in the turn-in bin at the Internship Station inside the front office or take a photo of the completed form and send it in a message to Mrs. Combs via Schoology.
