

# ECOSYSTEM DEVELOPMENT PROJECT

## Top 10 Ecosystems

- Grassland
- Tropical Rainforest
- Temperate Forest <https://www.youtube.com/watch?v=sZMlpHYzSWs>
- Taiga <https://www.youtube.com/watch?v=gjcs2P9PcMg>
- Desert
- Tundra
- Freshwater
- Marine
- Hydrothermal
- Coral Reefs

## **\*\*How to be more deliberate and specific with your Google search:**

Use quotation marks “...” around your search terms. This will filter out a lot of junk. 😊

ie: “marine ecosystems”.

**\*\*SEARCH TIP:** websites that end in *.gov*, *.edu.*, or *.org* will have more reliable and accurate information. 😊
