# School Advisory Council Request for the Use of Funds <br> Requests must be made 1 week prior to the SAC Meeting 

Date: January 17th, 2023 Requested by: Kevin Lay
Purpose of the funds requested:
The United States flag and Military Service flags that fly on campus are seen by all campus persons -- students, faculty, parents, and all visitors. Flags become weathered and torn while flying throughout the year. It is important and demonstrates proper respect to fly crisp-looking flags.

What Part of the School Improvement Plan will these funds address?
\#2. Instructional Practice specifically relating to Career \& Technical Education
(Any portion that can be approved will be an immense help in funding and making the field experience and transportation requirements possible)
How will you measure its effectiveness or impact?
Each year we complete a field experience, and we return the fossil finds back to our classroom. This past year, thank
Palcontology Field School! We use this piece to measure our school and organizational-minded impact and growth.
We We collaborate with other schools around the nation, real paleontologists from universities
our school helped him get to! We use this piece to measure our carcer-mindedness impact.
our school helped him get to! We use this piece to measure our carecer-mindedness impact.
And the impact it makes in our school draws students toward a STEM field and allows simple principles in Algebra, Biology, Chemistry and Physics to be applied in a relevant real-world application
In order for this project to be funded by the School Advisory Council, you will be required to provide a 5 minute presentation on how it has been used to improve the school and/or the quality of teaching you are able to provide. Do you agree to this? (Yes or No) $\qquad$
