- Principal Kunze is waiting to make budget decisions until we know the course requests so we can budget for what students want.
- Superintendent Forson is asking for feedback from parents and teachers and will be making an announcement for the new principal in April. Trying to find an internal candidate first.
- Getting an EBD unit (emotional behavioral disorder unit), for those zoned for Nease, Beachside and PV.
- The track needs to be repaired. It is a big-ticket item that gets submitted to the district. They only got half approved and are waiting to get the whole track approved. That means all meets are away because it is too dangerous, but we lose revenue for not hosting.
