Panther Athletics Communication

Friday, July 26, 2024

The FHSAA First Official Day of Fall Sports is Monday, July 29, 2024!! This communication contains information regarding Athletic Clearance, Athletic Fee, Coach Contacts, Tryouts and Sports Photos.

Fall Sports Game Schedules:

To view fall sport's game schedules please visit <https://neaseathletics.com/calendar/>

Athletic Clearance – All Athletes MUST have this completed before tryouts!!

Prior to participating with a Nease High School athletic team, all students are required to complete the athletic clearance process.

Please keep in mind that the FHSAA requires all student athletes to view free NFHS video courses on concussions, heat illness, and sudden cardiac arrest (see instructions below). Signatures on the EL3 form indicate that your athlete has completed these three video courses. The FHSAA also requires that all student athletes have at least a **2.0 unweighted GPA** to be eligible for participation.

For step-by-step athletic clearance instructions please visit: https://neaseathletics.com/athletic_clearance/

Athletic Fee/Pay to Participate

The purpose of the **Nease Athletic Fee** is to help address the costs associated with operating a high school athletic department. Currently the St. Johns County School Board pays each coach's coaching supplement, and all remaining costs are the responsibility of the athletic department and teams. The athletic fee helps cover the following expenses:

- Game officials
- Indoor and Outdoor Athletic Facility maintenance
- Sports Medicine
- Security
- Athletic Leadership Council activities
- Student-Athlete Letters and Awards
- FHSAA membership dues and other fees

The 2024-25 fee is **\$125 Per Sport Played**

This fee is for athletes who make the team roster and must be paid prior to participating in his/her first contest. Nease Athletics appreciates your attention and compliance regarding payment of this fee. If you have any questions or concerns, please contact the Nease Athletic Department.

The Athletic Fee is paid via SchoolPay by clicking on your sport's link below.
