Happy Summer Panther Families!

I hope you and your family are enjoying the summer break! This introductory edition of the **Panther Press** will provide you with some important dates and information.

Over the past few weeks, I have been working with our incredible administrative team and hardworking summer staff getting acclimated and preparing for the 2024-2025 school year!

I want to welcome all our new families to Allen D. Nease High School. I look forward to navigating our new school together.

A change in leadership can lead to speculation and wonder. I will do my very best to communicate and be transparent with our students and families.

I plan to continue sending out the Nease weekly newsletter, the Panther Press, each Friday. All families registered at Allen D. Nease High School will receive a link to the Panther Press via email. Each week you will be notified by text as a reminder. Parents will not have to sign up for the newsletter, as communications to families will be sent using School Messenger, a district-provided communication platform.

This brief edition includes important dates, so be sure to mark your calendars. More detailed information will follow in the coming weeks.
