Students/Parents of Nease High School are **REQUIRED** to fill out **ALL** parts of the above form. We encourage students/parents to complete the form **PRIOR to Wednesday, August 7<sup>th</sup>**. During Panther Pick-up, we will check the list to verify that each student has completed the quiz. If a student is not completed the form, they will use a computer in the media center to complete this requirement. If not attending Panther Pick-up, **your student MUST complete this form to use the digital network and technological resources on school district grounds**. The form contains acknowledgement and assessment on the following two topics:

### **1. STUDENT CODE OF CONDUCT:**

- Students, parents/guardians, teachers, counselors, administrators, and office staffs all have important roles to play in our schools. With so many people working together, problems may occur from time to time. Rules have been made to address these problems. Like laws, rules apply to everyone, and they work only when everyone knows what they are.
- The St Johns County School District Student Code of Conduct booklet lists the District rules for students in St. Johns County. The rules apply to all activities occurring on school grounds, on other sites being used for school activities and for any vehicles authorized for the transporting of students. Since parents/guardians can be held responsible for the actions of their children, it is also important that they are aware of the rules and consequences if the rules are broken. Parents, students, school faculty and staff need to know the rules. Parents should also take special notice of the Attendance section of this Booklet as well as the Suspension and Expulsion provisions, which are in accordance with School Board Rule.
