Dear Panther Families,

*This week I would like to send a heartfelt thank you to the Allen D. Nease Teachers. Our teachers work hard, engage our students in rigorous and captivating lessons and their collaboration increases the learning two-fold. During our faculty meeting this week our teachers took a moment to recognize their colleagues for one reason or another with a **Marigold Plant**, thanking peers for curriculum support, for making copies, for covering a class period so a team member could attend to a family need, helping with substitutes and so on. This is analogous to **The Marigold Effect**. Many experienced gardeners follow a concept called companion planting: placing certain vegetables and plants near each other to improve growth for one or both plants. For example, rose growers plant garlic near their roses because it repels bugs and prevents fungal diseases. Among companion plants, the marigold is one of the best. It protects a wide variety of plants from pests and harmful weeds. If you plant a marigold beside most any garden vegetable, that vegetable will grow big and strong and healthy, protected and encouraged by its marigold. Marigolds exist in our schools as well—encouraging, supporting and nurturing growing teachers on their way to maturity. If you can find at least one marigold in your school and stay close to them, you will grow. Find more than one and you will positively thrive. If our teachers are thriving, then our students are thriving and that is the reason our teachers do what they do!*

ACADEMY INFORMATION

National Technical Honor Society Information for Academy Students

ATTENTION ACADEMY JUNIORS & SENIORS!

The National Technical Honor Society will host an informational meeting on Wednesday, September 18th, at 9am in Panther Hall 138. NTHS is open to any Nease Academy Juniors and Seniors with an overall, unweighted GPA of 3.0 or higher and a GPA of 3.5 or higher in your Academy classes. All students must have a signed club permission form to attend. In addition, all students who were in it last year, must reapply again this year, so please plan to attend. See Mrs. Amato (in PH 138) or Mrs. Soto (in PH 233) if you have any questions.

Academy Field Trip Season is Coming!

Seeing what we are learning in our Academy classes reflected in the real-world and post-secondary education is a big part of the Academy experience. Students will soon start hearing about upcoming field trips via their Academy teachers. Field trips are always first-come, first-served, with the completion and submission of the field trip forms. On field trip days, students meet at the bus loop at 9:20 when the bell rings. Generally, we are back on campus in time for students to have lunch during C lunch. However, if a field trip is slated to arrive back on campus after the last lunch period, students will be directed via their field trip permission form to pack a lunch on that date, so that they can eat upon returning to school, from 12:30-1PM.

Here are the field trips we are currently planning for. Please keep in mind that field trips are often designated for certain courses or grade levels in each Academy program to align with curriculum, and are not always open to every student:

Academy of Hospitality & Tourism:

Savannah Bananas Trip 9/14/24 | Old Town Trolley Tour Experience 10/1/24 | Disney Storytelling & Customer Experience Tour 10/30/24

Communications Academy:

Sally Corp Dark Ride Design (Digital Design) 10/8/24 | Full Sail TechFest On-Campus Field Trip (Digital Design & TV Production) 10/9/24 | UNF College of Communications Campus Tour (TV Production) 10/17/24 | Florida Scholastic Press Association District 2 Regional Seminar @ UF (TV Production) 10/25/24 | Disney Storytelling & Customer Experience Tour (Digital Design) 10/30/24

Stellar Academy of Engineering:

Northrop Grumman Manufacturing Day 10/7/24 | UNF College of Engineering Campus Tour 10/22/24 | Sally Corp Dark Ride Engineering Design 11/5/24

ACADEMY INFORMATION

Stellar Academy of Engineering Juniors: Northrop Grumman HIP Internship Applications Are Available

Juniors in the Stellar Academy of Engineering, you are eligible to apply for consideration to take part in the two-year HIP internship mentoring program with Northrop Grumman. The Junior year program consists of a monthly online session, Wednesday nights from 7:30 – 8:30 pm. Students must be available for these online sessions during the first year of the internship. The sessions run November – May. Applications are available to students via their engineering teacher. You can also [CLICK HERE>>](#) to access the application on-line.

Applications must be submitted by September 18th. In addition to the completed application, students must turn in a letter of recommendation, and can also submit an optional resume and/or a personal statement about why they should be selected for this opportunity. This is a highly competitive process, only 5 students will be selected from Nease this year.

Printed copies of the application and optional supporting documentation can be turned in at the front desk and requested to be put in Mrs. Combs' mailbox, given to Mr. Beale in PH220, or emailed to

Mrs. Combs at jaime.combs@stjohns.k12.fl.us. Please check for a reply email from Mrs. Combs to confirm receipt of those materials if you choose to email them.

If students or parents have any questions related to the Academy programs at Nease, students can find me in C-Pod, office C-101, or you can email me at jaime.combs@stjohns.k12.fl.us.

NEASE IB PROGRAM

IB Program Information

Ms. Kennedy and Mr. Hoffman have visited all IB grade levels! Please ask your student so you can review the information covered. Topics include IB program information, Bright Futures Scholarship, Xello, testing information, Schoology, and communication. Gold envelopes for Seniors were distributed this week.

Our first IB student social will be on Thursday, September 26th. More information to come. Parents - be on the lookout for an email and FB post next week with a sign-up genius requesting volunteers and supplies for the event.

IB Booster Information

Our second IB Booster meeting of the year will be held Tuesday, **September 24th** at 9:45AM in the Media Center Conference Room 146. Join us! Please make sure you are a registered volunteer to attend.

Current Freshman and Sophomore Parents/Guardians - You are invited! The IB Boosters would love to bring you together to mingle in an informal setting and meet each other and the IB Boosters board/veteran IB parents. It will be an opportunity to create a network of individuals progressing through the IB program together and to understand a little more about what the IB Boosters does to help your students and staff. This a parent-only event on Tuesday, October 1st from 5:30-7:00PM in the Nease Media Center. Please RSVP by September 27th at https://docs.google.com/forms/d/e/1FAIpQLSc1xNzLXPRD41-JTGt3KUXpEr4R0XhVl2T_a8ljR_PMoE3vGQ/viewform?usp=sf_link . We hope you can come!

Thank you to all who have joined the **IB Booster Club**! If you haven't joined, there is still time. You can go to our website, <https://neaseibboosters.org/join-the-booster>. For our senior families, your membership comes with a senior stole your student will wear at graduation this May.

Class of 2025 T-Shirt Design Contest

Your design could be on the Class of 2025 t-shirt!

How does it work?

This contest is open to any member of the Nease High School Class of 2025 who has paid his or her senior dues and joined the seniors-only Schoology group. Once the entry period ends, Nease administration and senior sponsors will select a group of entries as finalists. The senior class will then vote on their favorite design from the list of finalists via the seniors-only Schoology group. The design with the most votes will then be printed on the senior shirts.

How can I enter?

It's easy! Simply upload your design using the submission form below by September 13. We can only accept JPG, PNG, or PDF files.

Design Criteria

1. Design is school and dress code appropriate
2. Design is for the front of the shirt only
3. Design is a maximum of 4 colors
4. Design does not exceed 12" x 12"
5. Nease, 'Class of 2025,' and 'Senior' are incorporated
6. Use of Nease logo is allowed but not required

Submit your design here!

Judgement Criteria

- Meets requirements
- Creative and original
- Overall impression of design

SELF-AWARENESS & SELF-MANAGEMENT

Parent Resource

GRADES
9-12

What is self-awareness and self-management?

Self-awareness and self-management means to understand and govern our thoughts, actions and impact on others.

As your child gets older, he or she will continue to develop self-awareness and self-management skills by recognizing how one's thoughts and ideas influence choices and impact others.

In grades nine through twelve, children begin:

- ✓ Implementing strategies and monitoring progress in achieving personal goals.
- ✓ Demonstrating behavior that respects the needs of others.
- ✓ Creating a plan to attain a personal goal that addresses strengths, needs and risks.

Below are ways you can help your child learn, practice and demonstrate self-awareness and self-management skills:

DISCUSS AN EXAMPLE

Discuss a time when you disagreed with someone and how you adjusted your behavior to understand the other person's point of view. For example, when you had a disagreement with a friend or coworker and he or she was not able to see your perspective. How did you approach the situation?

WORK TO DEVELOP GOALS

Work with your child to develop short and long-term personal goals. The goals should be measurable and achievable. Later, have them reflect on the process, his or her progress and how self-awareness and self-management helped them reach these goals.

BY GAINING SELF-AWARENESS AND LEARNING SELF-MANAGEMENT, YOUR CHILD WILL TAKE AN ACTIVE ROLE IN MONITORING AND ADAPTING HIS OR HER BEHAVIOR.

SKILLS TO CONSIDER PRACTICING WITH YOUR CHILD:

Formulating an effective long-term plan to achieve a personal or future professional goal.

Evaluating strategies that assist with managing challenges or setbacks.

DINNER TABLE CONVERSATION STARTER

Discuss the importance of self-awareness and self-management in pursuing academic and employment goals after high school. How do these skills impact future opportunities?
