Dear Panther Families,

Events that occurred in the community earlier this week may have caused anxiety and concern. With communications of this nature we will always share as much information as we can, while also working in collaboration with the St. Johns County School District and St. Johns County Sheriff's Department. The safety of our students is our number one priority. I'd like to thank our Youth Resource Officer Deputy Johnson and the SJCS D for their partnership in keeping our school and community safe.

We thank parents and student who have utilized the Fortify Fl app for any potential threats to student safety <https://getfortifyfl.com/>.

Resepctfully,

Gina Fonseca

ACADEMY INFORMATION

National Technical Honor Society Information for Academy Students

ATTENTION ACADEMY JUNIORS & SENIORS!

The National Technical Honor Society will host an informational meeting on Wednesday, September 18th, at 9am in Panther Hall 138. NTHS is open to any Nease Academy Juniors and Seniors with an overall, unweighted GPA of 3.0 or higher and a GPA of 3.5 or higher in your Academy classes. All students must have a signed club permission form to attend. In addition, all students who were in it last year, must reapply again this year, so please plan to attend. See Mrs. Amato (in PH 138) or Mrs. Soto (in PH 233) if you have any questions.

Academy Field Trip Season is Coming!

Seeing what we are learning in our Academy classes reflected in the real-world and post-secondary education is a big part of the Academy experience. Students will soon start hearing about upcoming field trips via their Academy teachers. Field trips are always first-come, first-served, with the completion and submission of the field trip forms. On field trip days, students meet at the bus loop at 9:20 when the bell rings. Generally, we are back on campus in time for students to have lunch during C lunch. However, if a field trip is slated to arrive back on campus after the last lunch period, students will be directed via their field trip permission form to pack a lunch on that date, so that they can eat upon returning to school, from 12:30-1PM.

Here are the field trips we are currently planning for. Please keep in mind that field trips are often designated for certain courses or grade levels in each Academy program to align with curriculum, and are not always open to every student:

Academy of Hospitality & Tourism:

Savannah Bananas Trip 9/14/24 | Old Town Trolley Tour Experience 10/1/24 | Disney Storytelling & Customer Experience Tour 10/30/24

Communications Academy:

Sally Corp Dark Ride Design (Digital Design) 10/8/24 | Full Sail TechFest On-Campus Field Trip (Digital Design & TV Production) 10/9/24 | UNF College of Communications Campus Tour (TV Production) 10/17/24 | Florida Scholastic Press Association District 2 Regional Seminar @ UF (TV Production) 10/25/24 | Disney Storytelling & Customer Experience Tour (Digital Design) 10/30/24
