Dear Panther Families,

*Senior Night festivities have been a highlight of this week's celebrations. It has been a pleasure to celebrate and recognize our seniors for their dedication to our Fall Sports and activities. A sincere thank you goes out to our **2025 SENIORS** for their commitment to our Nease Culture and Traditions.*

Throughout the week our seniors have been recognized for their sportsmanship and camaraderie. I truly enjoyed all the traditions that makes Nease so special!

Swimming has an AWESOME chant that made them the envy of other swim teams.

It was also heartwarming to see our parents, guardians & family members walk with their senior at Friday Night's football game, as their bio was read aloud.

Mostly, it was hard to keep the tears of nostalgia and pride back, as football, cheer, dance, band, volleyball and the Nease Pep squad paraded across the field arm and arm. What a memorable night!

*PLEASE see the important **SCHOLARSHIP** information below.*

Thank you and have a great week Panthers!
Gina Fonseca, Principal

ACADEMY INFORMATION

Stellar Academy of Engineering Mini-Internships

On the recent teacher planning day, nearly 20 of our Stellar Academy of Engineering students spent their morning seeing real-world engineering at work. Three of our Academy Advisory Board business partners offered to open up their offices to our students. Stellar, KLS Martin, and Gulfstream Design Group hosted students for this mini-internship opportunity. Students had the chance to meet with professional engineers, learn more about opportunities in the industry, tour the offices (and the brand-new manufacturing facility at KLS Martin), and at Stellar, they even had the chance to take part in an on-the-spot design challenge. A huge thank you to our partners for creating these opportunities for our students!

Interested in Becoming a Peer Leader for Sources of Strength?

Sources of Strength is a school-based program that exists at each SJCS D high school. It is considered an “upstream prevention program” that works to increase social support and connectedness between students (and trusted adults). The idea is that building up these protective factors builds in prevention to mental health issues, bullying, substance abuse, and suicide.

We just wrapped up a great Sources of Strength Week where we shared information about the program with our Nease community! We are now looking for our next Peer Leaders. If you are interested in joining us to help foster a community where everyone is accepted, supported, and helping those who are struggling and encouraged in help-seeking behavior please fill out the interest form:

FORTIFIED FLORIDA

Fortify Florida

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at <https://getfortifyfl.com/>.

The graphic features a dark blue background. At the top left are three small circular icons: a globe, a person, and a magnifying glass, with the text 'FLORIDA DEPARTMENT OF EDUCATION' below them. In the center is a red square icon with a white megaphone. Below this is the text 'FORTIFYFL' in large white letters, followed by 'SUSPICIOUS ACTIVITY REPORTING APP' in smaller white letters. Two smartphones are shown: the left one displays the 'Tip Report - Step 2 of 4' screen with a text input field and a keyboard; the right one displays 'Tip Report - Step 4 of 4' with a 'Submit Tip' button. At the bottom, the text reads: 'FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials.' Below that is the hashtag '#FORTIFYFL' and the website 'GETFORTIFYFL.COM'.
