Dear Panther Families,

This edition of the Panther Press finds us quickly approaching the end of the 1st semester. It has already been an amazing year of success for Nease High School students! This past Friday, our NJROTC had their Annual Military Inspection. Our program received the highest possible marks in EVERY category of the inspection. Further, guest inspector Commander Jonathan Shaw, Area commander, shared that Nease High School produces more Military Academy placements than ANY other high school in the Nation! A monumental shout out to Warrant Donato, Master Chief Spears, Gunnery Sergeant Hanson, and our student leaders who continue to make our program the flagship of excellence!

As this end draws near, we highly recommend that students stay on top of their grades in HAC and communicate with their teachers. Further, please make sure that your student takes FULL advantage of the EXCEL periods. We will have 3 more EXCEL periods over the next two weeks. This time is specially allocated with the intention of helping your student(s) find success.

Please note that we will be running alternative bell schedule on Thursday, December 18 and run a traditional “Wednesday Early Release Schedule” on Friday, December 19. **FINISH STRONG PANTHERS!!**

Trevor Abbs, Assistant Principal

**Academy Intent to Return Process:  
Continuing in a program or dropping one for 2025-26**

**Before winter break!!**

**All Communications, Hospitality, and Engineering Academy students will be asked to indicate if they want to remain in their current Academy for the 2025-26 school year by signing an Intent to Return roster.**

## Academy of Hospitality & Tourism Students Learn Theme Park Design the Disney Way

Nearly 50 Academy of Hospitality & Tourism students got an inside look at Walt Disney's theme park design process, by taking part in a special course led at the Magic Kingdom. They learned the "levels" of creating an immersive experience for guests, and even had the chance to design their own original theme parks. This was a great chance to get a peek into another aspect of the hospitality and tourism industry, and then they had the chance to fully enjoy the Disney guest experience by soaking in the ambiance, rides and food at the Happiest Place on Earth for the afternoon.

## Volunteer Hours Opportunity

Academy of Hospitality & Tourism business partner, The St. Augustine Aquarium, is looking for student volunteers to assist with their Nights of Lights Under the Sea event. Students can sign up to volunteer at the event on December 14th and earn service hours.
