Dear Panther Families,

Happy New Year! We are looking forward to the second semester and have got off to a great start!

We kicked off 2025 with our Student Expectations meetings. We met with each grade level to review the rules, policies, and expectations for all our Panthers.

We did reinforce the importance of getting to class on time and appropriate dress. Please help support both the tardy and dress code policies. A link is attached below for parents to review the schoolwide expectations.

We also emphasized finishing strong academically for every grade level. Seniors need to stay focused to maintain their transcripts. Senior rank will be run at the end of this month.

Please note there will be a Parent Registration Meeting for current Nease students on 1.21.25 and our Academy night for rising 9th & 10th graders on 1.22.25. Hope to see you there!

Have a great 2025!!

Gina Fonseca,

Principal, Allen D. Nease High School

FORTIFYFL

Fortify Florida

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at <https://getfortifyfl.com/>.

The graphic is a dark blue rectangular advertisement for the FortifyFL app. At the top left, there are three small circular logos: the Florida Department of Education logo, a Florida state seal, and another logo. To the right of these is the text 'Florida Department of EDUCATION'. In the center, there is a red square icon with a white megaphone. Below the icon, the word 'FORTIFYFL' is written in large, bold, white capital letters. Underneath that, in smaller white capital letters, is 'SUSPICIOUS ACTIVITY REPORTING APP'. Below the text, there are two smartphones. The one on the left shows a text input screen with a keyboard. The one on the right shows a confirmation screen with a 'Report' button. At the bottom of the graphic, there is white text: 'FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials.' Below that is the hashtag '#FORTIFYFL' and the website 'GETFORTIFYFL.COM'.
