Dear Panther Families,

The state-funded ACT College Reportable test is an important upcoming assessment for all Juniors on Tuesday, February 25, 2025. As a reminder, the ACT College Reportable test is only for 11th graders. All 9th, 10th, and 12th graders will be allowed an at-home learning day.

To ensure an optimal testing environment, we will allow flexibility to students on this day. High school students who are not participating in the ACT College Reportable test may complete assigned work from home or at school on this day. Assigned work will be due on Wednesday, February 26th, the day after the exam.

Testing will end at 1:30 pm. If you want your child to leave campus at 1:30 pm either as a student driver or parent pick-up. Please print and sign the form on the next page or pick up a form in the front office. Your child will need to KEEP this signed form and submit it to us at the gate to leave campus at 1:30 pm on Tuesday, February 25th. Students without a signed form will be released at 3:50 pm.

Students without a signed form will be released at 3:50 pm. We will NOT check out students through the main office between 1:30 pm and 3:50 pm.

Let's have a great week Panthers!

## Possible Summer Internship For Juniors Interested in Semiconductors

The Florida Semiconductor Institute (FSI) is pleased to announce a grant-funded semiconductor-focused paid internship program partnering with the NSF-funded Central Florida Semiconductor Innovation Engine. This program will allow university, state college, technical college, and even high-school students from across the state to participate in paid internships for up to 12 weeks. FLATE will lead the recruitment, placement, and management of the Florida semiconductor internship program. We are working with semiconductor-related companies all over the state to prepare for the paid internship program. The organizers will host an information session for students who complete this interest survey. Student Interest Survey Link- <https://www.surveymonkey.com/r/FSIStudent2025>

This opportunity is separate from the school-district-organized Career Academy Summer Internship process. See the FSI flyer and QR Code on the next page.

The flyer features a central image of a semiconductor chip being processed by a robotic arm. The background is a mix of blue and orange geometric shapes. In the top left, there is a logo for the Florida Semiconductor Engine with the website SemiconductorEngine.org. The text 'Spring/Summer/Fall 2025' is written in orange. The main title 'SEMICONDUCTOR INTERNSHIP Opportunity' is in large blue and black fonts. A QR code is located at the bottom left. On the right side, there is text from the Florida Semiconductor Institute (FSI) at the University of Florida, detailing the program, eligibility, and contact information. The FLATE logo is at the bottom right.

## **In Need of Summer Internship Locations in Communications and Engineering Industries**

Parents, if you work in graphic design, video production, public relations, or any type of engineering firm, we are searching for local businesses who are interested in hosting a summer intern. Academy interns work for up to 120 hours over the summer. These positions can be paid or unpaid. In the case of unpaid internships, students earn service hours to apply towards Bright Futures. All student intern applicants are certified in professional software and are only eligible to take part in an Academy internship between their Junior and Senior year.

If your company may be able to take on a summer intern, please reach out to Mrs. Combs at [jaime.combs@stjohns.k12.fl.us](mailto:jaime.combs@stjohns.k12.fl.us).

## STEM/ENGINEERING & CONSTRUCTION CAMPS

Start Your STEM Journey in Summer 2025!

## U.S. NAVY STEM, ENGINEERING & CONSTRUCTION CAMP

June 22-28, 2025 • Jacksonville, FL

### Looking to engage in hands-on learning and fun?

The Society of American Military Engineers (SAME) is accepting nominations for 40 qualified high school students interested in attending the SAME/Navy STEM Engineering & Construction Camp in summer 2024 at Naval Air Station Jacksonville, Fla.

Students will engage in hands-on engineering activities under the mentorship and supervision of SAME professionals, base commands, and other volunteers from the local engineering community. Campers live, eat, and complete activities as squads with support from uniformed servicemembers and STEM-related working professionals.

### CAMP HIGHLIGHTS:

- Camp lasts one week and costs \$800.
- Camp is overnight; all food, lodging, supervision is provided.
- SAME Camps feature many dynamic activities, including building concrete beams, operating drones and remote-controlled underwater vehicles, using survey equipment, constructing and testing cardboard boats, and more!

*(Must be at least 15 years of age to apply; rising sophomore, junior, or senior.)*

**Application deadline: March 12, 2025.**

## BLACK HISTORY MONTH CELEBRATION!! DATE CHANGE!!

Due to a school calendar change, we had to move the date for our celebration to **Wednesday, March 12th**. It will still be in our media center on from **12:15 p.m. - 1:15 p.m during Excel.**

How can you help? **We'd love to have a variety of foods from the different regions and nations for our students to simply taste.** If you are willing and able to donate a dish or drink, please click on the link below to sign up. Please understand, we are NOT asking anyone to cook for 100 students! If you are willing and able to send in foods/drinks, please plan on something for 10-15 people. Students will simply be having a very small sample of the various dishes. This is NOT a catered lunch for them. I have a "wish-list" of some of the foods the students would like to have, so please reach out to me for more details. Please click on this link to sign up if you can help us out! Please remember ALL volunteers MUST be approved to be on campus.

# FortifyFL

## Fortify Florida

**FortifyFL is a website and app developed at the direction of the Florida Legislature.**

**Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at <https://getfortifyfl.com/>.**

The advertisement features a dark blue background. At the top left, there are logos for the Florida Department of Education and the Florida Department of Transportation. In the center, there is a red square icon with a white megaphone. Below the icon, the text "FORTIFYFL" is written in large, white, bold letters, with "SUSPICIOUS ACTIVITY REPORTING APP" in smaller white letters underneath. Two smartphones are shown: one displaying the app's interface with a keyboard, and another showing a confirmation screen. At the bottom, the text reads: "FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials." Below this, the hashtag "#FORTIFYFL" and the website "GETFORTIFYFL.COM" are displayed in white.
