Mr. Abbs and Ms. Davis will be assuming responsibility for all athletic oversight and will serve as the primary point of contact for the foreseeable future. We appreciate your understanding and cooperation during this transition. We are committed to ensuring a smooth continuation of our athletic programs and will work diligently to address any inquiries promptly.

NJROTC

April is designated as the Month of the Military Child, underscoring the important role military children play in the armed forces community. Sponsored by the Department of Defense Military Community and Family Policy, the Month of the Military Child is a time to applaud military families and their children for the daily sacrifices and the challenges they overcome.

Throughout the month, DoDEA will encourage schools to plan special events to honor military children and have administrators and principals incorporate this month's themes into their everyday duties and responsibilities. These efforts and special events will stress the importance of providing children with quality services and support to help them succeed in the mobile military lifestyle.

The Nease NJROTC in collaboration with the NEASE PTSO, celebrates and thanks our students whose parents serve in the military. We understand the sacrifice that the entire family makes for freedom!

We invite our students of current active-duty military parents for a pizza lunch on April 16th during lunch. Please sign up below by April 11th. Thank you for your role in support of your family.
