Wired Students Take Their Show On The Road

Wired students had a very busy couple of weeks, travelling to both the Florida Scholastic Press Association State Conference & Competition, and to UNF's Scholastic Journalism and Film Seminar. During their first-ever trip to FSPA, 13 Wired students competed in five on-the-spot competitions against a field of talented TV Production students from across the state. They brought home an Honorable Mention award for their original short film competition entry and took part in a number of breakout sessions led by professionals, all while networking with 1,500 students at the conference.

A week later, 19 TV Production students boarded a bus to the University of North Florida, where they took part in the University's Scholastic Journalism and Film Seminar. They toured UNF's Communications school and attended a number of workshops led by UNF professors.

ACADEMIES

Stellar Academy of Engineering Students Learn about Aerospace & Automotive Engineering

In two field trips sponsored by the Stellar Academy of Engineering this week, students had the chance to expand their engineering knowledge. Upperclassmen had the chance to learn more about aerospace engineering, thanks to a visit to Tactical Air Support in Jacksonville. Students heard from engineers who work on the aircraft repaired at that location, including a Nease alumnus, and tour the facility.

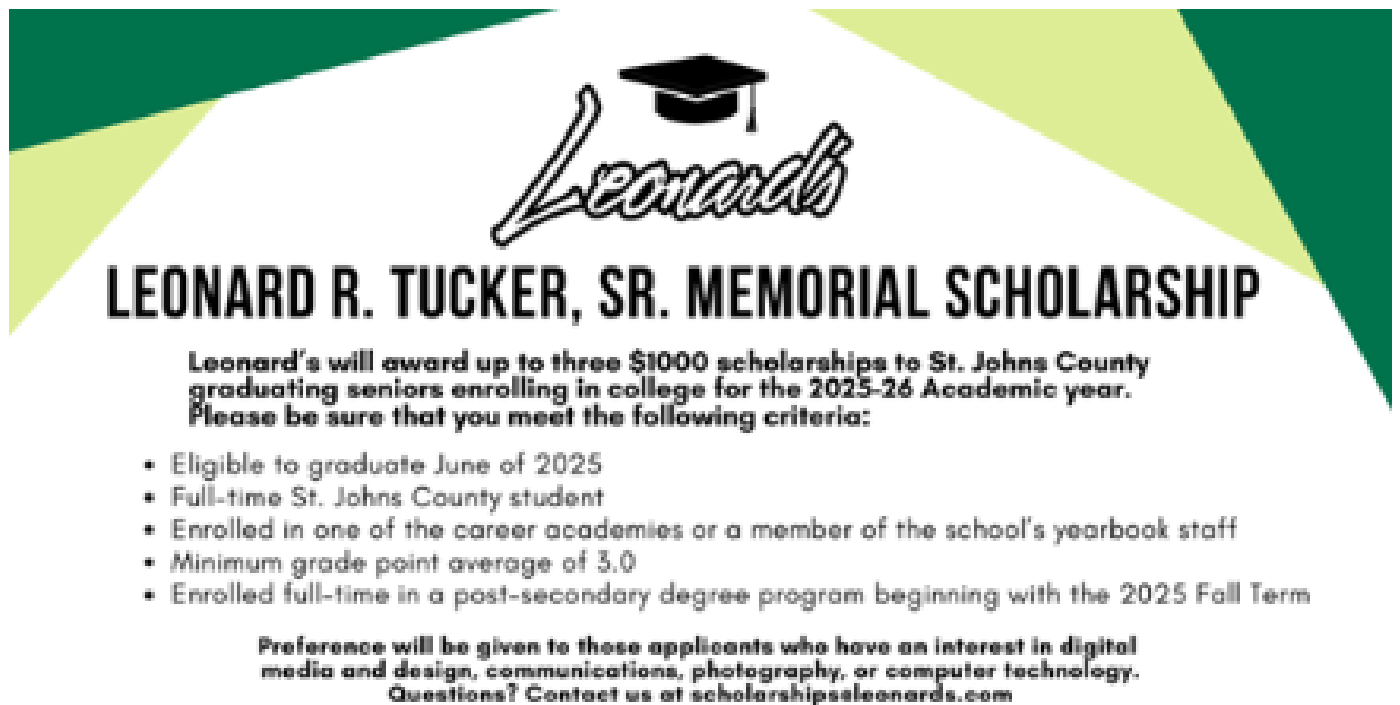

The following day students in the Introduction to Engineering classes took a trip The Brumos Collection Automotive Museum, where they toured the museum and were able to connect the engineering knowledge learned in the classroom to examples in the real-world. Thank you to both Tactical Air Support and The Brumos Collection for hosting our students!

IB INFORMATION

IB Coordinator update:

To ensure a smooth transition, our team has been working with Ms. Kennedy on all things IB. We are grateful for the support Ms. Kennedy has provided.

More specifically, we have interviewed for a new registrar and in the interim, Assistant Principal Abbs will be able to fulfill any registrar needs. The new registrar will work collaboratively with the school counselors but will not take on IB Coordinator role.

We will be interviewing next week for an IB Coordinator. Depending on the qualifications of the individual, it may be a full or part-time position. We do plan to continue with the IB Counselor position currently filled by Mr. Hoffman.

Our team, including Erich Hoffman, Amy Newman, and Gina Fonseca will be working behind the scenes to ensure the administration of the IB exams is prepared and organized for students. Additionally, we have been trained on procedures to secure and mail the exams.

Ms. Kennedy has been working on getting the predicted scores into the system, along with internal & external assessments. We also have been trained to add information from ManageBac to IBIS for any additional information that has not been added.

Ms. Kennedy will also be a resource for our team if needed, as we ensure IB receives all the documentation for our students to receive their diplomas.

Ms. Fonseca will be in working with the IB Booster President, Jill Damato to be sure we are informing the IB Boosters with any pertinent information.

Our next IB Booster meeting will be held on **Tuesday, April 22nd** at 9:45 AM in the Media Center Conference Room 146. Join us! Please make sure you are a registered volunteer to attend.

The final IB student social is **Thursday, April 24th**. It will be held behind Panther Hall in the picnic area during all three lunches. We need volunteers and drink donations to make the event a success. Please consider signing up at [**Nease IB Parents: IB Pizza Social Lunch - April 24, 2025**](#). Seniors should plan to wear their college gear for the "IBdone" photo.

Attention Senior IB Parents! The IB Senior Banquet will be held on **May 13th** at the St Johns Golf and Country Club. The ceremony begins at 5:30 PM. Stoles will be presented at this event. Senior stoles are available for purchase online at [**Senior Stoles - Nease High School IB Booster Club**](#). Each senior can bring 2 paying guests. To RSVP for the banquet, please register at [**Nease IB Banquet 2025**](#).
