## Congratulations, Jaguar Scholarship Winner Beckham Alexander

**Beckham**, a four-year member of the Communications Academy TV Production program, has made a lasting impact on the Sports Media program at Nease. From filming the Varsity football top shot for the last two years, to creating graphics for all of the sports highlight videos, to interning with the Jacksonville Jumbo Shrimp, we are so proud of Beckham! He is the ideal recipient of the **Jaguars CTE Scholarship**, and we wish him luck as he continues his journey to study of Communications at the University of Central Florida.

## Congratulations, Stellar Scholarship Winners

**David Lovett, Teniyah Blutchet, and Arianis Lopez-Esteban** were each presented a scholarship check for \$1,000 by Stellar Advisory Board Chairman Briggs Kirby on Friday, May 2nd. Each of these graduating seniors has taken part in the Stellar Academy of Engineering for the last four years, and were selected by the Stellar scholarship committee based on their ability to stand out from the crowd through volunteerism, internships, impressive grades, and earning industry certifications in their engineering classes. David and Arianis will be studying mechanical engineering at UCF, while Teniyah plans to study architecture at Florida A&M University.
