Schedule Preview

Dear Panther parent/guardian(s),

Allen D. Nease High School students will be able to view finalized schedules for the 2025-2026 school year using Home Access Center (HAC) starting July 23 through the end of the day on July 24. Please use this opportunity to make sure that your student has been scheduled for all their academic courses.

When viewing your student's schedule, please keep in mind the following:

- Class periods and teachers may still change before the finalized release of schedules due to balancing of classes. However, student course placement will not change.
- Please note schedules will not be visible for returning students if the RSV (returning student verification) has not been completed. The District sent out a link to complete the RSV in April.
- Newly hired teachers may be represented by a placeholder on your student's schedule.
- St Johns River State College dual enrollment courses will not be reflected on your Nease schedule until after school starts. Please be sure to check your SJRSC account for these classes.

To preview your schedule, follow these instructions:

1. Log into student HAC account (not parent)
2. Click the "Classes" tab.
3. Click the "Schedule" tab.

At this time, below are the reasons to request a schedule change:

- **Duplicate Course (you've already taken the course)**
- **Missing a course/hole in schedule**
- **We are not accepting any elective course changes.**

Duplicate/Missing course change requests can be submitted through the following link:

[CLICK HERE>>](#)

This will be the **ONLY WAY** to request a potential scheduling modification. Please do not email your scheduling concerns.

If you put in a request prior to the last day and you do not see any changes, then your request did not meet the criteria to be approved or your request did not work with your schedule. **PLEASE DO NOT PUT IN ANOTHER SUBMISSION.**

New Course!

We are now offering:

Music Technology and Sound Engineering 1

as a course elective! This is the **ONLY** course that can be requested for an elective change! Use the petition link to request **TODAY!**

Required Action!

Code of Conduct Acknowledgment and Digital Citizenship Assessment Form

**[CLICK HERE>>](#) TO ACCESS THE CODE OF CONDUCT
PARENT/STUDENT ACKNOWLEDGMENT & DIGITAL
CITIZENSHIP ASSESSMENT FORM**

Students/Parents of Nease High School are **REQUIRED** to fill out ALL parts of the above form. We encourage students/parents to complete the form PRIOR to Wednesday, August 6th. **If a student has not completed the form, they will NOT be allowed to utilize school-based technology on campus.**

STUDENT CODE OF CONDUCT:

- Students, parents/guardians, teachers, counselors, administrators, and office staffs all have important roles to play in our schools. With so many people working together, problems may occur from time to time. Rules have been made to address these problems. Like laws, rules apply to everyone, and they work only when everyone knows what they are.
- The St Johns County School District Student Code of Conduct booklet lists the District rules for students in St. Johns County. The rules apply to all activities occurring on school grounds, on other sites being used for school activities and for any vehicles authorized for the transporting of students. Since parents/guardians can be held responsible for the actions of their children, it is also important that they are aware of the rules and consequences if the rules are broken. Parents, students, school faculty and staff need to know the rules. Parents should also take special notice of the Attendance section of this Booklet as well as the Suspension and Expulsion provisions, which are in accordance with School Board Rule.
- **[CLICK HERE>>](#) FOR A DIGITAL COPY OF THE CODE OF CONDUCT**

ACCEPTABLE USE POLICY (AUP)

- The SJCSO has guidelines and procedures for student/visitor use of the digital network and technological resources on school district grounds. These guidelines and procedures are detailed in the SJCSO Acceptable Use Policy (AUP) and Internet Safety Policy.

FortifyFL

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at the following link:

- <https://getfortifyfl.com/>.

The graphic is a dark blue rectangular poster for the FortifyFL app. At the top left, there are three small circular logos: the Florida Department of Education logo, a Florida state seal, and a FortifyFL logo. In the center, there is a red square icon with a white megaphone and a small map of Florida. Below this icon, the text "FORTIFYFL" is written in large, bold, white capital letters, followed by "SUSPICIOUS ACTIVITY REPORTING APP" in smaller white capital letters. Below the text, two smartphones are shown. The left phone displays the "Tip Report - Step 2 of 4" screen, which includes a text input field with the placeholder "I see a suspicious person in a green car near my school." and a keyboard. The right phone displays the "Tip Report - Step 4 of 4" screen, which includes fields for "Your Name (Optional)", "Your Email Address (Optional)", and "Your Phone Number (Optional)", along with "Previous" and "Submit Tip" buttons. At the bottom of the graphic, the text "FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials." is written in white. Below this, the hashtag "#FORTIFYFL" and the website "GETFORTIFYFL.COM" are displayed in white capital letters.
