FortifyFL

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at the following link:

- <https://getfortifyfl.com/>.

The graphic is a dark blue rectangular poster for the FortifyFL app. At the top left, there are three small circular logos: the Florida Department of Education, the Florida Department of Law Enforcement, and the Florida Department of Transportation. In the center, there is a red square icon with a white megaphone and a small map of Florida. Below this icon, the text "FORTIFYFL" is written in large, bold, white capital letters, followed by "SUSPICIOUS ACTIVITY REPORTING APP" in smaller white capital letters. Below the text, two smartphones are shown. The left phone displays the "Tip Report - Step 2 of 4" screen, which includes a text input field with the placeholder "I see a suspicious person in a green car near my school." and a keyboard. The right phone displays the "Tip Report - Step 4 of 4" screen, which includes fields for "Your Name (Optional)", "Your Email Address (Optional)", and "Your Phone Number (Optional)", along with "Previous" and "Submit Tip" buttons. At the bottom of the graphic, the text "FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials." is written in white. Below this, the hashtag "#FORTIFYFL" and the website "GETFORTIFYFL.COM" are displayed in white capital letters.
