Happy Fall Panther Families,

I want to thank our students, club sponsors, and staff for the incredible community outreach and the entertaining displays at the 2025 Track or Treat this past Tuesday! Everyone had a wonderful time!

It was another full week of learning, activities, and events, culminating with a heartfelt Senior Night for our varsity football players, cheer, dance, band, and senior leaders. Congratulations to all of you!

Many of our athletic teams will be moving into district playoffs as we begin ramping up for the winter sports, including Girls' Weightlifting, Wrestling, Soccer, Basketball, and Competitive Dance. WE ARE NEASE!

We want to remind students to take advantage of NHS tutoring on Tuesdays and Thursdays in the Media Center as we move toward the end of the 1^{st} semester.

Thank you to our parent volunteers for all your support with our many events, including EXCEL. It takes a team!

Have a great week, Panthers!

Extra, Extra! IB News

Congratulations Avery!

IB Senior Avery Mangan worked with IB Visual Arts teacher Herrick Smith to pour metal for a base for a piece she has spent 2 years working on. Her piece is part of her IB Art Exhibition and will count towards her IB Art score.

Extra, Extra!

Congratulations to the members of the Nease Debate Team who attended the Incubate Debate National Fall Championship at Jacksonville University.

In the Townhall (individual) Championship, Parmis Molavi received 2nd place and Ria Gavvala received eighth place.

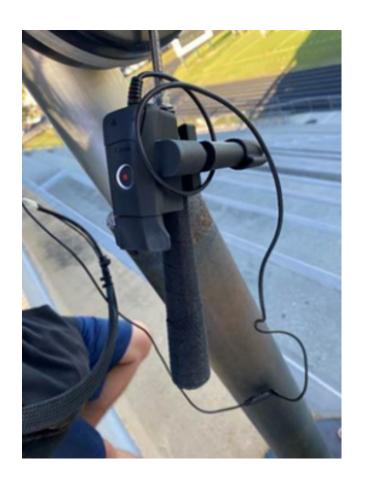

In the Tribunal(team) Championship, Amogh Subramania, Ria Gavvala, and Riya Poddar received 1st place overall.

Nease Academies

Guest Speaker Parent Approval Forms Are Now Digital

Academy courses proudly offer ways to connect the class curriculum with the industry the students are studying. This can happen via field trips, internships, and guest speakers. When we have a guest speaker scheduled to visit a class, we are required to get parent approval to align with state regulations. Starting in November, guest speaker permission forms will be digital. These will be sent out via Parentsquare, and families can approve a student's participation and sign digitally in just seconds. No more pieces of paper to chase around! Parents, please keep an eye out for Guest Speaker Approval Forms sent out via Parentsquare. Thank you!

Engineering Academy Students Assist the Sports Media Program

Computer Integrated Manufacturing students had the chance to apply their skills to solve a problem that the Sports Media program was recently facing. The program had a piece of equipment used to film football games that was broken beyond repair. This "vintage" piece of equipment couldn't be purchased any longer, so the Computer Integrated Manufacturing program designed and 3D printed the handle that Sports Media needed. The handle made its debut at the Homecoming Game and worked perfectly. We love when our Academy programs can support each other in such wonderful ways!

COFFEE STATION DONATIONS!

In our media center, we have a coffee station set up with a Keurig for our students to help themselves to a cup of coffee, tea, or hot chocolate in the mornings, during lunch, and after school. With the start of the year, we have no supplies as of yet. If you are willing and able to help donate so we can keep this going for our students, these are some of the items we need:

- K -cups (assorted)
- 10 oz. or smaller coffee cups (lots)
- Creamer (individual packs or powdered. No refrigerated creamers, please)
- Individual sugar packets (no large containers)

Thank you so much for anything you can help out with so we can continue this little "perk" for our students.

PANTHERS!! Get your "Panther Café CeilingTile"!

This is your chance to IMMORTALIZE yourself in our library! ALL students have the opportunity to take home one of our café area ceiling tiles, paint and personalize it, then have it placed back into our ceiling for a donation of \$20. Our Panther Café ceiling is starting to fill up with BEAUTIFUL and original artwork from our students. The money raised from this fundraiser will be used to purchase new technology for our media center and other space enhancements and materials for our students, and at the same time have our Panthers immortalized in our café as these will never be repainted! Check out some examples below! Please contact me in the media center for more information.

LIBRARY ACCESS FORM

Parents, this form is available to ALL families if you would like to restrict access to library materials for your child in our school library media center. If you have questions or concerns, please do not hesitate to reach out to Mrs. Milian for additional information.
