## HELP US RE-WRAP THE NEASE YRD VEHICLE

Our Nease YRD's car is peeling, faded and is in need of a re-wrap. It's up to the Nease community to fund it so any donation helps. We are almost halfway to our goal, and we would love to get the car wrapped before the end of the school year. Please consider donating to the Go Fund Me below to help us get to our goal and have Deputy Douglas patrol St John's County in the best-looking vehicle around!

## PIZZA WITH A PRO: AN ACADEMY EXCEL EVENT

Join us for an Excel event aimed at sharpening your professional communication skills. Whether you're looking for an after-school job, applying for a summer internship, or want to make sure you stand out for the right reasons when you step into the professional world, this is the seminar for you! Enjoy free pizza while learning from **Chris Engl, President of the Ponte Vedra Beach Toastmasters Club**. He'll share strategies and tips to help you increase your confidence while communicating with others. This event takes place in Mrs. Amato's Hospitality Academy classroom, PH138, during Excel time on February 4th. All Academy students (Communications, Hospitality, and Engineering) are welcome! Sign up by 1/29/26 to ensure we have enough pizza for everyone attending.

Sign up here:

<https://www.signupgenius.com/go/5080D4CA8AD2FA3FC1-61701881-pizza>

Your parent will also have to digitally approve your attendance via a guest speaker approval form, which will be sent after you sign up.

## INTERESTED IN BECOMING A PILOT?

If your future plans include a possible interest in becoming a professional pilot, St. Johns River State College has a program that will get you your professional pilot's license. The professor over the program will be offering a virtual guest speaker event on Wednesday, 1/28/26, during Excel A, to talk about the program and answer student questions. The guest speaker event will be in Mr. Beale's Engineering classroom, PH220. To take part in this event, students must have a signed guest speaker form. You can get a form from an ROTC instructor, Engineering teacher, or pick one up in counselor's corner. You must bring the signed form to attend the virtual guest speaker event.

## NEASE HOSPITALITY ACADEMY STUDENTS TOUR ALL-NEW PV CONCERT HALL

Nease's Hospitality and Tourism Academy recently visited the Ponte Vedra Concert Hall to explore the behind-the-scenes operations of the newly renovated live entertainment venue. Students learned about event management, guest services, marketing, and technical production while seeing all the newly updated features of the Concert Hall. The experience gave students a real-world look at how large-scale events are planned and executed. It was an engaging and inspiring opportunity that connected our classroom learning to real-world careers in hospitality and tourism.

## ACADEMY INTENT TO RETURN PROCESS: CONTINUING IN A PROGRAM OR DROPPING ONE FOR 2026-27

In December, all Communications, Hospitality, and Engineering Academy students were asked to indicate if they want to remain in their current Academy for the 2026-27 school year by signing an Intent to Return roster. If the student checked “Yes,” than that student will be automatically re-enrolled in the Academy for 2026-27. The student will also receive a recommendation to move on to the next level Academy course, as long as they are meeting Academy requirements. If an Academy student checked “No” on the roster to indicate that they do not want to continue in the Academy next year, a Program of Interest Drop Form has been sent home with those students. The drop form must be completed by the student and parent and returned to Mrs. Combs in order to remove the student from the program for 2026-27. If you have any questions about the Intent to Return process, please reach out to Jaime Combs at [Jaime.combs@stjohns.k12.fl.us](mailto:Jaime.combs@stjohns.k12.fl.us)

# FortifyFL

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at the following link:

- <https://getfortifyfl.com/>.

The graphic is a dark blue rectangular poster for the FortifyFL app. At the top left, there are three small circular logos: the Florida Department of Education logo, a school building icon, and a person icon. In the center, there is a red square icon with a white megaphone. Below this icon, the text "FORTIFYFL" is written in large, bold, white capital letters, followed by "SUSPICIOUS ACTIVITY REPORTING APP" in smaller white capital letters. In the middle, two smartphones are shown. The phone on the left displays the "Tip Report - Step 2 of 4" screen, which includes a text input field and a keyboard. The phone on the right displays the "Tip Report - Step 4 of 4" screen, which includes fields for "Your Name (Optional)", "Your Email Address (Optional)", and "Your Phone Number (Optional)", along with "Previous" and "Submit Tip" buttons. At the bottom, the text "FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials." is written in white. Below this, the hashtag "#FORTIFYFL" and the website "GETFORTIFYFL.COM" are displayed in white capital letters.
