*Hi Panther Families,*

*I hope you stayed warm this weekend! As we continue to register underclassmen, Winter and Spring sports are overlapping and sharing the spotlight. Congratulations to all our senior athletes as they celebrate their senior nights.*

*A special congratulations to our Junior IB students who received their pins, solidifying their place in IB.*

*Parents, we need your help with a few things:*

*Please, please pull all the way up when dropping off your students in the morning and afternoon. It really helps with traffic.*

*For our student drivers, the Oaks Apartment complex has requested that drivers refrain from parking in their lot and on the grassy area across the street, as they have indicated that they will tow the vehicles.*

*Thank you for your ongoing support, and have a great week!*

**Hello Nease Students, Faculty, & Parents!**

I wanted to take a moment and introduce myself to you all formally; My name is Rebecca Roberts and I am honored to have the opportunity to serve over the next two years as your Golden Panther Booster Club President. My husband Greg and I have a daughter who currently attends Nease as a Junior.

In my new role as President I will continue to build on the progress that has been made in these last couple of years. The 25-26 GPBC capital campaigns this year will cover the complete resurfacing and updating of our gym floor and the renovation of Field 1 including irrigation, grading, resodding and topdressing.

**Both of these projects should be completed and ready for our 2026-2027 school year!**

Be on the lookout for myself, the Vice President and all of our Directors as we attend sporting events, parent information meetings, Gala, parades and more!!! I encourage everyone to become a GPBC member and help us make this school, its athletic programs and facilities the absolute BEST in St. Johns County! Your membership goes into bettering ALL of Nease High School Athletics.

Please feel free to reach out to me with ideas for capitol campaigns, suggestions for ways GPBC can get involved with your athlete's sport or questions about the GPBC. ## WIRED STUDENTS GO WILD FOR JACKSONVILLE ZOO VIDEO COMPETITION

Ten of our Wired students are participating in the Jacksonville Zoo's High School Video competition, testing their skills against seven other local high schools. Each school was assigned an animal to feature during a live broadcast on *First Coast Living*. Nease is featuring the Zoo's Manatee River exhibit, set to open this spring. Students were able to visit the Zoo for a production day, where they interviewed animal experts and compiled video clips of the new Manatee River. The groups will have roughly 3 weeks to creatively tell their story of the biggest Manatee Rehabilitation Center in all of Florida. One winning video will receive a \$1,000 prize for their school's program. Students will find out if they won in a large-scale event at the Zoo that takes place on February 26<sup>th</sup>.

## ACADEMY INTENT TO RETURN PROCESS: CONTINUING IN A PROGRAM OR DROPPING ONE FOR 2026-27

In December, all Communications, Hospitality, and Engineering Academy students were asked to indicate if they want to remain in their current Academy for the 2026-27 school year by signing an Intent to Return roster. If the student checked “Yes,” then that student will be automatically re-enrolled in the Academy for 2026-27. The student will also receive a recommendation to move on to the next level Academy course, as long as they are meeting Academy requirements. If an Academy student checked “No” on the roster to indicate that they do not want to continue in the Academy next year, a Program of Interest Drop Form has been sent home with those students. The drop form must be completed by the student and parent and returned to Mrs. Combs in order to remove the student from the program for 2026-27. If you have any questions about the Intent to Return process, please reach out to Jaime Combs at [Jaime.combs@stjohns.k12.fl.us](mailto:Jaime.combs@stjohns.k12.fl.us)

## SUMMER CAMP OPPORTUNITIES

It definitely feels like winter out there...but summer will be here in no time! Here are three camps that align with our Academy programs:

### COMMUNICATIONS ACADEMY STUDENTS: UF'S SUMMER MEDIA INSTITUTE

The University of Florida Summer Media Institute is expanding! For the first time ever, they are going to hold two sessions this summer to help meet demand. Session 1 runs June 18-23 and focuses on journalism and communication disciplines. Session 2 runs June 24-29 and will focus on sports journalism and media. SMI is now an application-based program. Students will need to submit an application by March 5. Students accepted will be notified March 6-10 and have a two-week period to register and pay the registration fee, which will save their spot. Registration costs \$999 (includes camp, lodging and food) and the scholarship form is part of the initial application. You can learn more about SMI at

# FortifyFL

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at the following link:

- <https://getfortifyfl.com/>

The advertisement features a dark blue background with the Florida Department of Education logo at the top left. In the center is a large red megaphone icon. Below it, the text "FORTIFYFL" is written in large, bold, white capital letters, with "SUSPICIOUS ACTIVITY REPORTING APP" in smaller white text underneath. Two smartphones are shown displaying the FortifyFL app interface. The left phone shows "Tip Report - Step 2 of 4" with a text input field containing "There is a suspicious person in a green car near my school." The right phone shows "Tip Report - Step 4 of 4" with fields for "Your Name (Optional)", "Your Email Address (Optional)", and "Your Phone Number (Optional)". Both phones have a keyboard and navigation buttons. At the bottom, the text "#FORTIFYFL" and "GETFORTIFYFL.COM" is displayed in white.
