Hi Panther Families,

I am happy to share the following message sent on behalf of Superintendent Dr. Brennan Asplen and Mr. Wayne King, Associate Superintendent for Human Resources:

Dr. Kyle Dresback will serve as our leader at Allen D Nease High School. With a distinguished career in district leadership and school administration, he has guided both middle and high schools and contributed to statewide educational initiatives. Dr. Dresback holds advanced degrees from the University of North Florida and the University of Florida and has been recognized for his exemplary work in school leadership.

Our goal in making this announcement early is to provide Dr. Dresback meaningful collaboration time alongside the current administrative team. This intentional transition period will allow them to work together on developing the master schedules and building the budgets for the 2026–2027 school year, ensuring a smooth handoff and strong start for the upcoming year. We look forward to the positive leadership and growth they will bring to our school communities in the year ahead.

I look forward to working with Dr. Dresback to ensure we take care of all things that make Nease, NEASE! This edition of Panther Press is full of firsts, good news, and recognitions for our students. Please take the time to explore all the way through our Student Life section. I am always so proud of all the hard work and effort by our student body! Our kids are AMAZING !!

There are ONLY 9 Days until the end of the quarter! Please encourage your student to stay focused and finish strong!

CONGRATULATIONS, WIRED STUDENTS AND MRS. JACOBI! JAX ZOO COMPETITION GRAND PRIZE WINNERS!

As we reported in an earlier edition of the Panther Press, Communications Academy Wired students recently entered a competition sponsored by Gemstone Media & The Jacksonville Zoo. We were one of 8 local schools to answer the challenge to create a three-minute news story about an assigned animal or exhibit featured at the Zoo. Nease was assigned to cover the brand-new Mantee Habitat, and spent a day at the zoo interviewing professionals and getting video of the animals. Last night, live on a special broadcast of First Coast News, it was announced that Nease's team had won the grand prize! Congratulations to Communications Academy Wired students Lauren Adams, Gabe Pafford, Mariella Love, Lyla Gillespie, Robin Hickey, Paxton Beidle, Katy Vega, Bella Williams, Olivia Dhas and Juliana Weldon! And a big thanks to their teacher, Mrs. Jacobi, who knew that our students could take on this challenge! The program won a trophy live on the air, and will receive a \$1,000 donation check next week.
