Hi Panther Families,

I hope your families had a wonderful Spring Break! The break marks the end of the 3rd quarter and report cards will be available on HAC on March 26th. The 4th quarter begins on Monday, March 23rd, and testing will begin in April, starting with the B.E.S.T Writing Assesment on April 10th for 9th and 10th graders. In addition, the Nease IB and AP Testing calendar has been posted on our website. Information will be updated soon in regards to the F.A.S.T and EOCs.

For testing information click here > [Nease Testing Information](#)

Student Registrations for the 2026-2027 school year has been completed. If you have any questions check out our resource page at [Course Registration Information](#)

As the days grow hotter, please help your student be mindful of the St. Johns County Dress Code Policy.

We appreciate your support!

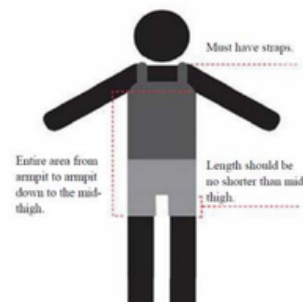

Have a great week Panthers!

Wired students won 1st place in a competition sponsored by Gemstone Media & The Jacksonville Zoo. The WIRED team of students were one of 8 local schools who created a three-minute news story about an assigned animal or exhibit featured at the Zoo. Nease was assigned to cover the brand-new Mantee Habitat, and spent a day at the zoo interviewing professionals and getting video of the animals. Pictured are the WIRED students and teacher Lauri Jacobi accepting the award of \$1000 for the TV Production Academy Program. Check out the award winning video below!!

Nease Mock Trial Team

The Nease Mock Trial Team competed in the annual 7th Judicial Circuit Mock Trial Competition on February 27th at the St. Johns County Courthouse. Our team was honored with the Legal Professionalism Award as well as individual awards for Most Effective Witness: Rachel Ball and Cerene Bahri. Congratulations to the team on a great competition.

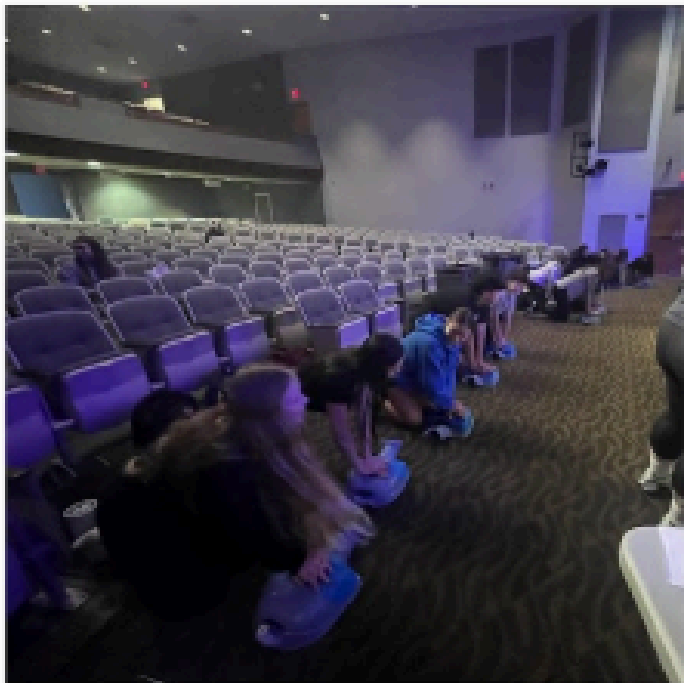

A very special thanks to our Attorney Coach, Mr. Josh Woolsey of Woolsey Morcom Law Firm in Nocatee, for his time, dedication, and expertise. We would like to especially recognize our seniors for their leadership and guidance to the team: Club President Rachel Ball, Club Vice-President Paxton Beidle, Team Captain Ani Abrahamyan, and Team Captain Rishi Chandra. They will all be missed next year. Please join me in congratulating this amazing team on a job well done.

Hands-Only CPR Fact Sheet

♥ Why Learn Hands-Only CPR?

Cardiac arrest – an electrical malfunction in the heart that causes an irregular heartbeat (arrhythmia) and disrupts the flow of blood to the brain, lungs and other organs – is a leading cause of death. Each year, more than 350,000 EMS-assessed out-of-hospital cardiac arrests occur in the United States.

When a person has a cardiac arrest, survival depends on immediately receiving CPR from someone nearby.

According to the American Heart Association, about 90 percent of people who suffer out-of-hospital cardiac arrests die. CPR, especially if performed immediately, can double or triple a cardiac arrest victim's chance of survival.

♥ Be the Difference for Someone You Love

If you are called on to give CPR in an emergency, you will most likely be trying to save the life of someone you love: a child, a spouse, a parent or a friend.

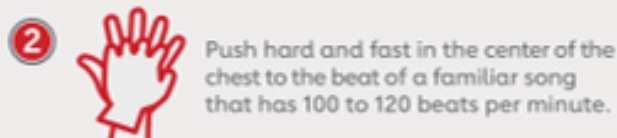

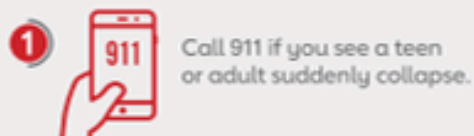

Over **70 percent** of out-of-hospital cardiac arrests happen in homes.

Only about **40%** of people who experience an out-of-hospital cardiac arrest receive the immediate help that they need before professional help arrives.

Hands-Only CPR has been shown to be as effective in the first few minutes as conventional CPR for cardiac arrest at home, at work or in public.

Hands-Only CPR has just two easy steps, performed in this order:

♥ Call 911

The telecommunicator on the other end of the line can assist you while getting the emergency help you need on the way.

♥ Music Can Save Lives

Song examples include "Stayin' Alive" by the Bee Gees, "Crazy in Love" by Beyoncé featuring Jay-Z, "Hips Don't Lie" by Shakira or "Walk the Line" by Johnny Cash. People feel more confident performing Hands-Only CPR and are more likely to remember the correct rate when trained to the beat of a familiar song.

When performing CPR, you should push on the chest at a rate of 100 to 120 compressions per minute, which corresponds to the beat of the song examples above.

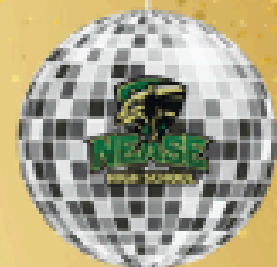

♥ Take 90 Seconds to Learn How to Save a Life

Watch the 90-second video. Visit heart.org/handsonlycpr to watch the Hands-Only CPR instructional video and share it with the important people in your life. Hands-Only CPR is a natural introduction to CPR, and the AHA encourages everyone to learn conventional CPR as a next step. You can find a CPR class near you at heart.org/CPR.

NOTE: The AHA still recommends CPR with compressions and breaths for infants and children and victims of drowning, drug overdose, or people who collapse due to breathing problems.

STELLAR ACADEMY OF ENGINEERING STUDENTS BRING HOME AWARDS AT THE SAME ENGINEERING CAREER DAY COMPETITION

Nease Students brought home 2nd and 3rd place medals at the 2026 Society of American Military Engineers Engineering Career Day at the end of February. Two teams participated in the event. Students had the opportunity to network and learn about career and education opportunities in engineering especially Civil, Environmental, and Shoreline Engineering. Each year students compete in two hands-on engineering challenges that are a surprise on competition day. The first competition of the day saw students having to design and build a small sailboat with limited materials, and then see how many pennies it could successfully sail across a container. The second competition had students design a shoreline structure to protect houses from storm surge, waves, and flooding associated with a catastrophic storm event. Team 1 from Nease, comprised of Richard McKenzie and Cole Label, took 2nd place for their Shoreline Protection design and 3rd place overall in the competition against a large field of other competitors. Congratulations!

FortifyFL

FortifyFL is a website and app developed at the direction of the Florida Legislature.

Any student, educator, parent or member of the public can report school safety concerns directly to law enforcement and school administrators anonymously and easily through the FortifyFL app or at the following link:

- [https://getfortifyfl.com/.](https://getfortifyfl.com/)

The advertisement features a dark blue background. At the top left, there are three small circular icons: a globe, a person, and a gear, followed by the text 'Florida Department of EDUCATION'. In the center, there is a red square icon with a white megaphone. Below this, the word 'FORTIFYFL' is written in large, bold, white capital letters, with 'SUSPICIOUS ACTIVITY REPORTING APP' in smaller white capital letters underneath. Two smartphones are shown: one displaying the 'Tip Report - Step 2 of 4' screen with a text input field and a keyboard, and another displaying the 'Tip Report - Step 4 of 4' screen with a 'Submit Tip' button. At the bottom, the text reads: 'FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials.' Below this, the hashtag '#FORTIFYFL' and the website 'GETFORTIFYFL.COM' are displayed in white capital letters.
