

Incoming Sophomores (Class of 2029)

Pre IB English II: AP English Language and Composition (Strauss)

- ✓ No required assignment to work on and submit upon your return in the fall.
The following items are recommended:
- ✓ Join my AP English Language and Composition course Quizlet and get a head start on some terminology: <https://quizlet.com/join/bfsgtG5rm?i=2gc5qb&x=1bqt>
- ✓ Watch the news or utilize a form of media to know what is going on in the world around you; this knowledge will help you with both your argument and synthesis writing in AP English Language and Composition
- ✓ Read a nonfiction book. The move from the traditional English/literature course to a focus on nonfiction can be difficult for students. Consider reading a book about a topic of your choice that also contains an *argument.
